Dear Valued Customer:

We are concerned about your account. Our records indicate that you have an unpaid AT&T bill in the amount of \$ 25.09, of which \$ 14.02 is past due.

Perhaps you were unaware that AT&T is now handling your Business Long Distance billing. By handling your billing, AT&T is able to provide you with an accurate and well-organized bill. Direct billing gives you access to all the quality, reliability, and service that made AT&T the right choice for your long distance.

Payment for AT&T Long Distance Charges should be sent directly to AT&T. A pre-addressed envelope is enclosed with your bills.

Please contact us immediately to make acceptable payment arrangements. These arrangements will require that all amounts due must be paid in full.

Without payment in full, access to the AT&T Network may be interrupted. All services billed under this account number (including Intra-Lata and Inter-Lata Long Distance services if applicable).

If this outstanding balance is not paid, your account may also be subject to referral to an outside collection agency. Be advised that this may be our only contact regarding your past due AT&T account.
